

*Education Office**Maastricht*

*Subject:* Bachelor in Psychology curriculum

Dear Sir/Madam,

One of our bachelor's students has applied for a study at your institution.

He/she requested that we specify which courses in our bachelor's programme in Psychology curriculum specifically address Clinical Psychology, Developmental Psychology, or Personality Psychology.

**Maastricht University - Bachelor in Psychology**

Courses specifically related to Clinical Psychology:

- IPN2024 Psychopathology (second year), for 6 ECTS.
- IPN3131 Skills V (third year), for 1 ECTS.

Courses specifically related to Developmental Psychology:

- IPN1021 Development (first year), for 6 ECTS.
- IPN1028 Learning and Memory (first year), for 1 ECTS.

Courses specifically related to Personality Psychology:

- IPN2022 Personality and Individual Differences (second year), for 6 ECTS.
- IPN2021 Complex Cognition (second year), for 1 ECTS.

Detailed information on all current and past courses of our Psychology programme can be found via [link] <https://www.askpsy.nl/academic-calendar>.

Yours faithfully,

MSc. M. Geenen

Head of the Education Office

Faculty of Psychology and Neuroscience
