Assessment of master thesis

You need **2 supervisors**

1 is always from FPN

1st supervisor has PhD degree (or is advanced PhD student)

In external institute:

→ If external supervisor has a PhD, then they can be the 1st supervisor. Make sure they know their responsibilities, see:

<https://www.askpsy.nl/internship/info-for-supervisors>

→ You need to find a second internal assessor (from FPN)

Arranging your internship

- Arranged by the HSP master
- Arranged by yourself

Arranging an internship by yourself

- Start in time

 - Needs to hold a PhD
 - Needs to be aware of the responsibilities of supervision (see slide 4 for link)
- Need a second supervisor from FPN, keep in contact with FPN supervisor

- This the basis of the contract, that needs to be signed before the internship starts.

Internship contract

- Your internship should be legal
- Have you met all requirements?
- Your internship is insured
- No application form = no contract
= no valid internship = no EC

Duo internships

- Write their own thesis
