

Application form REQUEST FOR EXEMPTION

The Board of Examiners can, on the student's request, grant an exemption from taking an exam or another assessment, if the student provides satisfactory written proof that the student has already successfully completed a similar course at a university, which is equivalent in content and level. Alternatively, the student can demonstrate possessing sufficient knowledge and skills in relation to the relevant exam or assessment by way of professional experience.

The student should submit the request for exemption at least four (4) weeks before the start of the requested module via askpsy@maastrichtuniversity.nl.
